

Alice Model Nursery School

INCLUSION POLICY

At Alice Model Nursery we aim to fulfil our commitment to Inclusion by raising attainment through inclusive cultures, practices and policies.

These include: - equal opportunities, anti-racism, race equality, anti-bullying, disability equality scheme and Special Educational Needs.

Our philosophy is one of 'Inclusion'.

'Alice Model is an inclusive setting which welcomes all children and their families/carers. We aim to enable children and their families/carers to participate fully in the life of our Nursery. We recognise that some children have additional needs and that the whole school community is committed to supporting them.'

The school community includes the governing body, staff, children, parents and outside agencies.

We are also very committed to incorporating into our Nursery the themes and principles of the Early Years Foundation Stage (2012).

1. A Unique Child,
2. Positive Relationships,
3. Enabling Environment,
4. Learning and Development,

We aim to continue to build up partnerships with a wide-cross section of organisations and people e.g., practitioners, Nursery, Infant and Primary schools, social workers, nurses, speech and language therapists, general practitioners and educational psychologists.
